

# Press Release

04 05 2020, Sait Arslan Architects

Sait Arslan Architects is a devoted group of multi-disciplinary design creatives who aim to deliver high quality and inspirational design projects. Their offices are based in Montenegro and in Turkey .

The practice's international portfolio covers major sectors. They also render all design processes required for the development of complex design projects . After 15 years of professional experience as a design manager for various companies, Sait Arslan started to put together a team of professionals to contribute into projects in 2018.

In this time scale, a successful collaboration between architects and designers finalized projects on various scales and disciplines. Starred projects such as the chain restaurant called Tahin Lebanese Restaurant and renovated Revma fish restaurant, Co creative agency office, FU Gayrimenkul office, Think Neuro Lab and office, Oztekin&Co Law Office, a concept project for a hotel in Palestine, an office concept in Nairobi and residential projects delivered in less than 2 years.

Sait Arslan Architect's work is characterized by strong conceptual legibility, innovation, environmentally concerned and a meticulous approach to detailing.
